

**Stephanie Baine**  
**Chief Administrator**

Stephanie Baine serves as our Chief Administrator, overseeing our daily operations for the company. Stephanie has over 26 years of business management experience within the real estate industry including operations, accounting, human resources, acquisitions, dispositions, development, marketing, and technology. Stephanie's diverse background and passion in real estate amplifies our team, while adding extensive knowledge, and experience from the industry.

Prior to KBG Real Estate Investments, Stephanie played an instrumental part in the success of over \$900M in real estate transactions while working at Colonial Properties Trust and Mid America. She assisted with over \$450M in multifamily development and over \$500M in the acquisitions of multifamily and residential assets. Her career started at Equity Residential learning the basic functions of real estate at an institutional level.
